Axpet® Solid Polyester Sheet

10 years warranty on impact strength

Product definition

Axpet® sheets without UV protection and for indoor applications.

Scope of Warranty

We guarantee solid sheets of Axpet® for 10 years on impact strength.

Warranty Statements

1. Axpet® retains its rigidity

This means that sheets will have a modulus of elasticity of $E \geq 2200$ MPa after 10 years. The elastic modulus is measured in the tensile test according to ISO 527 at 23 °C, as the average value established for 5 specimens with parallel faces which have been conditioned to the equilibrium state in the standard climate of 23 °C and 50%RH.

2. Axpet® does not turn brittle and retains its strength

This means that the tensile strength by is $\sigma_y \geq 45$ MPa after 10 years. The tensile strength is measured in the tensile test according to ISO 527, at 23 °C, as the average value established for 5 specimens with unscratched parallel faces which have been conditioned to the equilibrium state in the standard climate of 23 °C/50% RH.

Note

The specimen thickness must be between 1 and 4 mm. The specimen surfaces, obtained by mechanical treatment, need to be smooth and polished.
